ORDER RE: MOTION TO STAY

On September 7, 2010, Burlington Schools PV, LLC ("BSPV") filed a Motion to Stay ("Motion") proceedings regarding BSPV's petition, filed July 14, 2010, for a certificate of public good for the construction and operation of a 278 kW roof-top solar electric generation facility to be located at Hunt Middle School in Burlington, Vermont. In its Motion, BSPV requested that the Public Service Board ("Board") stay proceedings until November 30, 2010. BSPV cited uncertainty as to whether the proposed project would be financially viable without receipt of the Vermont Business Solar Tax Credit ("tax credit") as the purpose for requesting a stay.¹ BSPV also requested an extension of time, until ten days after such stay is lifted by the Board, to respond to a Board-issued memorandum seeking additional information regarding the proposed project's interconnection with the City of Burlington Electric Department ("BED") system.

On September 9, 2010, the Clerk of the Board issued a memorandum seeking comment on BSPV's Motion. The memorandum stated that any comments were due by September 20, 2010.

No comments on BSPV's Motion were received.

1. On August 25, 2010, the Clean Energy Development Fund Board issued a list of projects that would receive the tax credit. BSPV's Hunt Middle School Project was not listed as a project that would receive the tax credit.

BSPV's Motion to stay this proceeding is granted. BSPV shall, by November 30, 2010, file for withdrawal of its petition, request that the stay be lifted, or request that the stay be extended. In the event that BSPV requests that the stay be lifted, BSPV shall file the information required by the Board's September 9 memorandum within ten days of the Board ordering the stay be lifted. Any comments from parties on this additional information will be due two weeks after such information is filed.

SO ORDERED.

Dated at Montpelier, Vermont, this 29th day of September, 2010.
